

University of Sheffield, Department of Geology - Publications 1921-1930

Author	Initials	Year	Title/Publication
Lewis	H.P.	1922	The age of coal seams Fuel, 1 , 74-79
Lewis	H.P.	1923	The occurrence of detrital barytes in the Permian basal sand at Nitticarhill Geological Magazine, 60 , 307-313
Lewis	H.P.	1924	Geology of the Yorkshire and North-East Midlands Coalfield Analysis of British Coals & Coke 4th Edition , 92-102
Lewis	H.P.	1924	Upper Visean corals of the genus <i>Caninia</i> Quarterly Journal of the Geological Society of London, 80 , 389-407
Wilcockson & Hay	W.H. D.	1924	Coal mining in the North of France and Belgium Colliery Guardian, 28 , 481 <i>et seq</i>
Wilcockson	W.H.	1925	Geological notes on the Yorkshire Coalfield Transactions of the Institute of Mine Surveyors, 6 (i)
Wilcockson & Hay	W.H. D.	1925	Variation in the Busty Seam in the County of Durham Transactions of the Institute of Mining Engineers, 69 (i)
Morris & Fearnside	T.O. W.G.	1926	The stratigraphy and structure of the Cambrian Slate-belt of Nantlle, Caernarvonshire Quarterly Journal of the Geological Society of London, 82 , 250-303
Lewis	H.P.	1926	On <i>Bolopora undosa</i> gen. et sp. nov: a rock-building bryozoan with phosphatized skeleton, from the basal Arenig rocks of Ffestiniog, (North Wales) Quarterly Journal of the Geological Society of London, 82 , 411-423
Lewis & Rees	H.P. W.J.	1926	Some grindstones from the coal measures of Yorkshire Geological Magazine, 63 , 13
Fearnside	W.G.	1927	Evidence relating to the extent, variability and availability of the several coal seams [concealed Yorkshire Coalfield] Commission on drainage, subsidence, etc. - Doncaster area. 4261A , 1-24
Fearnside	W.G.	1927	The Doncaster Coalfield (Professor Fearnside's extracts) Colliery Guardian, March 18th & 25th, 1927
Fearnside	W.G.	1927	Geological Effects of the Dolarrog Dam burst British Association Committee Report, 1927
Lewis	H.P.	1927	<i>Caninia cylindrica</i> and other large caninias from from the Carboniferous Limestone of Ireland Scientific Proceedings of the Royal Dublin Society, 18 , 373
Lewis	H.P.	1927	The zoning of the Avonian rocks in the south of the Isle of Man

- Proceedings of the British Association (Leeds), p. 322
- Lewis H.P. 1927 On *Auloclisia*, a new coral genus from the Carboniferous Limestone
Proceedings Yorkshire Geological Society, **21**, 29
- Lewis H.P. 1927 British resources of refractory materials
Britain's Fuel Problems (London) Part **9**, 521
- Wilcockson W.H. 1927 Sections of strata of the Yorkshire Coalfield - Special Volume, 2nd edition pp. 1-399
Midland Institute of Mining Engineers, 1927
- Wilcockson W.H. 1927 The Pre-Carboniferous topography near Austwick and Horton in Ribblesdale
Proceedings of the Yorkshire Geological Society, **21**, 17
- Fearnside W.G. 1928 Proved coal seams in the eastward extension of the Yorkshire Coalfield
Sheffield University Mining Magazine
- Fearnside W.G. 1928 A topographical study of the flood-swept course of the Porth Llwyd above Dolgarrog
& Wilcockson W.H. The Geographical Journal, **72**, 401
- Lewis H.P. 1929 The Avonian coral *Caninophyllum* gen. nov. and *C. archiaci* (Edwards and Hamil)
Annals and Magazine of Natural History, Ser. 10, **3**, 456
- Lewis H.P. 1929 *Cystina carbonaris* (McCoy) in the Rother Valley Drift
The Naturalist, June 1929, 219
- Lewis H.P. 1929 Appendix on the micropetrology of the rocks used
Safety in Mines Research Board Paper No. **46**, 23 [M.J. Burgess & R.V. Wheeler]
- Lewis H.P. 1930 On the Avonian succession in the south of the Isle of Man
Quarterly Journal of the Geological Society of London, **86**, 234-290
- Lewis H.P. 1930 The geological distribution of clays of industrial importance
Claycraft, **3**, 667
- Wilcockson W.H. 1930 Coal seams in the East Pennine Coalfield
Fuel, **9**, 30
- Lewis H.P. 1930 Appendix on the petrography of the rocks used in the research on "The Ignition of Firedamp, etc."
Safety in Mines Research Board Paper No. **62**
