

University of Sheffield, Department of Geology - Staff Publications 1931-1940

Author	Initials	Year	Title/Publication
Lewis	H.P.	1931	The Carboniferous coral <i>Pseudoconinia</i> (Stuckenberg) and <i>Pseudoconinia longisepta</i> . Sp. N. Annals and Magazine of Natural History, 7 , 225
Lewis	H.P.	1931	The Upper Visean coral <i>Coninia concavea</i> (Thomson) Annals and magazine of Natural History, 7 , 235
Fearnside	W.G.	1932	The Geology of the eastern part of the Peak District Proceedings of the Geologists' Association, 43 , 153-178
Wilcockson	W.H.	1932	Igneous rocks and mineralization of the High Peak of Derbyshire Proceedings of the Geologists' Association, 43 , 184-190
Lewis	H.P.	1932	Note on the succession of the Lower Carboniferous of Derbyshire Proceedings of the Geologists' Association, 43 , 182-184
Pulfrey	W.	1932	The occurrence of radiolarian-bearing nodules at the base of the Edale Shales near Calver Sough, Derbyshire Proceedings of the Geologists' Association, 43 , 192-199
Fearnside	W.G.	1933	A correlation of structures in the Coalfields of the Midland Province - Presidential address to Section C, British Association The Advancement of Science, 57-80 [Report on Leicester Meeting]
Wilcockson & Tyler	W.H. W.H.	1933	On an area of ultrabasic rocks in the Kassala Province of the Anglo-Egyptian Sudan Geological Magazine, 70 , 305-323
King & Wilcockson	W.B.R. W.H.	1933	The Lower Palaeozoic rocks of Austwick and Horton in Ribblesdale Proceedings of the Geological Society 1932-3, 118-119
Pulfrey	W.	1933	The iron ore oolites and pisolites of North Wales Proceedings of the Geological Society 1932-3, 52
Shirley	J.	1933	A redescription of the known British Silurian species of <i>Calymene</i> (s.l.) Proceedings of the Manchester Literary & Philosophical Society, 77 , 51-67
Pulfrey	W	1933	The iron ore oolites and pisolites of North Wales Quarterly Journal of the Geological Society, 79 , 401-430
Fearnside	W.G.	1933	A boring through Edale Shales to Carboniferous Limestone and pillow lavas at Hope Cement Works, near Castleton, Derbyshire Proceedings of the Yorkshire Geological Society, 22 , 100-121
& Templeman	A.		
Wilcockson & King	W.H. W.B.R.	1934	The Lower Palaeozoic rocks of Austwick and Horton in Ribblesdale Quarterly Journal of the Geological Society, 90 , 1934, p. 7-31
Fearnside	W.G.	1935	The framework of the south-east Pennine Coalfield

- Proceedings of the Yorkshire Geological Society, **23**, 39-53
- Shirley J. 1936 The British representatives of the genus Calymene
Proceedings of the Geological Society of London, February 1936
- Pulfrey W. 1936 The Geology of an area in the Kavirondo District, Kenya
Geological Magazine, **73**, 26-38
- Shirley J. 1938 The fauna of the Baton River Beds (Devonian), New Zealand
Quarterly Journal of the Geological Society, **94**, 455-506
- Shirley J. 1938 Some aspects of the Siluro-Devonian boundary problem
Geological Magazine, **75**, 353-362
- Moore L.R. 1939 On a recent boring reaching the Coal Measures at Chew Stoke, nr. Bristol
Proceedings of the Bristol Naturalists' Society, **9**, 66-68
- Davies W. 1940 On a boring in the Millstone Grit Series at Hallam Head, Sheffield
Proceedings Yorkshire Geological Society, **24**, 241-244
- Shirley J. 1940 The Carboniferous Limestone of the Castleton-Bradwell area, North Derbyshire
Quarterly Journal of the Geological Society, **96**, 271-317
- Horsfield E.L.
