

Last Name	Initials	Date	Title of Thesis
Ph.D.			
Pulfrey	W.	1932	The constitution and origin of some Welsh iron ores & DSc 1951
Boddy	R.G.H.B.	1937	The microstructure of coal
Morris	T.O.	1939	DSc - Collection of twelve papers on geology and archaeology
Moseley	F.	1952	The geology of the northern Bowland Fells
Ford	T.D.	1953	The geology of the Ingleton and Stainmore Coalfields
Guest	N.J.	1953	The geology and petrology of the Engaruka-Oldonyo l'Engai - Lake Natron area of Northern Tanganika Territory
Johnson	R.H.	1954	An investigation of the landforms and morphological evolution of part of the limestone area of Derbyshire
Downie	C.	1955	The nature and origin of the Kimmeridge Oil Shale
Greensmith	J.T.	1955	A study of some Upper Carboniferous sediments with particular reference to the mode and environment of sedimentation
Taylor	F.M.	1957	Some colonial rugose corals from the Carboniferous Limestone of Derbyshire
Atherton	M.P.	1959	A study of the variation in fabric and composition of some minerals in garnetiferous rocks from Perthshire and Co. Mayo
Love	L.G.	1959	The Scottish Lower Carboniferous Oil Shales with particular reference to the upper part of the Lower Oil Shale Group
Neves	R.	1959	An investigation into the Namurian microflora of parts of the southern Pennine Basin
Sarjeant	W.A.S.	1959	Organic-shelled microplankton of the Callovian and Oxfordian
Sullivan	H.J.	1959	The description and distribution of miospores and other microfloral remains in some sapropelic coals and their associated humic coals and carbonaceous shales.
Orme	G.R.	1960	A study of the stratigraphy and petrology of the normal and reef facies Avonian Limestones of North Derbyshire
Stephens	E.A.	1960	The geology and mineral resources of the Kota Belud and Kudat area, north Borneo
Richardson	J.B.	1960	A study of the microflora of the Middle Old Red Sandstone, Orcadian Basin
Bate	R.H.	1961	Middle Jurassic ostracoda of Yorkshire and Lincolnshire: a taxonomic and stratigraphic study
Hart	G.F.	1961	Microfloral assemblages from the Katewaka-Mchuchuma and Songwe-Kuwira coalfields, Tanganyika Territory, East Africa
Knowles	B.	1961	The radioactive content of Coal Measure sediments in the Yorkshire-Derbyshire Coalfield
Higgins	A.C.	1962	An investigation of the distribution of conodont faunas in the Namurian of the South Pennines
Abdullah	M.I.	1963	Chemical and mineralogical investigations of the titanomagnetites in reference to the petrogenesis of Kilimanjaro igneous rocks
Owens	B.	1963	A palynological investigation of the Namurian and Westphalian sediments of the Stainmore Outlier, Westmorland
Sahu	K.C.	1963	A mineralogical and chemical study of pyroxenes and olivines from the volcanic rocks of Kilimanjaro, Tanganika
Soper	N.J.	1963	The structure and petrology of the Rogart Igneous Complex, Sutherland
Spears	D.A.	1963	Geochemistry of the Mansfield Marine Band
Wall	D.	1963	Liassic microplankton, spores and pollen grains from Britain
Williams	G.L.	1963	Organic walled microplankton of the London Clay
Spinner	E.G.	1964	Megapores and miospores from the Forest of Dean Coalfield
Varker	W.J.	1964	The conodont faunas and stratigraphy of the Yoredale Series in the Askrigg and Alston regions.
Al-Hamdan	A.A.S.	1965	The size and shape characteristics of some modern desert sands

Curtis	C.D.	1965	A spectrographic study of the Mansfield Marine Band
Jenkins	W.A.M.	1965	Ordovician chitinozoa from Shropshire
Wilson	R.C.L.	1965	The petrology of certain English Jurassic limestones and associated sediments
Davies	H.G.	1966	A sedimentological study of a sandstone unit in the Lower Coal Measures of Yorkshire
Malki	N.	1966	A re-examination of some of the basaltic horizons of the lower Carboniferous limestones of Derbyshire
Marshall	A.E.	1966	Miospore assemblages associated with seam-splitting in the Fenton and Silkstone coal seams
Mayhew	R.W.	1966	A sedimentological investigation of the Marsdenian Grits and associated measures in north-east Derbyshire
Taylor	W.E.G.	1966	The structural history of the metamorphic and igneous rocks of Slieve Gamph, Western Ireland
Mishell	D.	1966	Namurian and Westphalian miospores from the Bowland Fells and Ingleton coalfield
Riley	P.J.	1966	A re-investigation of the pre-Tertiary geology of the Ross of Mull, Argyllshire
Ahmed	M.R.	1967	The petrology and diagenesis of some Upper Carboniferous sandstones (Upper Millstone Grit and Lower Coal Measures) of the Sheffield area.
Husain	M.A.	1967	Dinoflagellates and acritarchs from the Eocene and Paleocene of south-east England
Marston	R.J.	1967	The Foyers granitic complex
Lister	T.R.	1968	Chitinozoa, acritarchs and spores of the Ludlow Series of Shropshire
Till	G.A.R.	1968	Some aspects of the geochemistry of Recent Bahamian carbonate sediments from the Bimini Lagoon
Coffey	J.R.	1969	The geology of the Mixon and Warslow area, north Staffordshire
Colley	H.	1969	The geology of Erromango, New Hebrides
Davies	P.J.	1969	Some aspects of the petrology, ecology, diagenesis and geochemistry of Corallian reef and associated sediments of England, France and Switzerland
Eaton	G.L.	1969	Dinoflagellate cysts and acritarchs from the Bracklesham Beds of the Isle of Wight
Gueinn	K.J.	1969	An investigation into the Namurian and lower Westphalian spores and pollen of the Midland Valley of Scotland
Haynes	L.	1969	A chemical and mineralogical study of rocks of the Moine Series in the Western Highlands of Scotland
Neville	R.S.W.	1969	The stratigraphic distribution of miospores in the Lower carboniferous of east Fife, Scotland
Sabry	H.S.M.Z.	1969	An investigation of the fossil spores and pollen in the Carboniferous rocks of the Sanquhar coalfield, Dumfriesshire, Scotland
Burns	D.A.	1970	Electron microscope studies of recent and fossil algae
Dolby	G.	1970	A palynological investigation into the Devonian/Carboniferous transition measures in south west Britain and southern Eire
Oguz	A.	1970	The geology and petrology of the northern Amanos Mountains, southern Turkey
Rice	C.M.	1970	Chemical weathering of the Carnmenellis Granite
Utting	J.	1970	Karoo stratigraphy and palynology of the upper Luangwa valley and lower Karoo palynology of the mid-Zambezi valley, Zambia
Ioannides	N.S.	1971	Palynological investigation of the Lower Carboniferous measures of the Spilmersford and D'Arcy boreholes, the Lothians, Scotland
Lentin	J.K.	1971	An investigation of some aspect of palynofacies at the Namurian-Westphalian boundary in the Southern Pennines Province

Rasul	S.M.	1971	A systematic and stratigraphic study of the Tremadoc acritarchs of Shropshire
Riding	R.E.	1971	Palaeoecology and petrology of Middle Carboniferous limestones and stratigraphy of associated sedimentary sequence South Central Cantabrian Mountains, Spain
Williams	J.E.	1971	Carboniferous miospores from the Brampton district, northern England and the Archerbeck borehole, Dumfriesshire
Clayton	G.	1972	Lower Carboniferous miospores from the Cockburnspath-Skateraw region of south-east Scotland
Farmer	D.G.	1972	A computer simulation study of sedimentation in highly stratified estuaries and related systems
Reid	P.C.	1972	The distribution of dinoflagellate cysts, acritarchs and pollen in coastal sediments from the British Isles
Watkins	P.	1972	The geochemistry and mineralogy of the Frodingham ironstone
Ambrose	T.	1973	The stratigraphy and structure of the pre-Carboniferous rocks north-west of Cervera de Pisuerga, Cantabrian Mountains, Spain
Bujak	J.P.	1973	Microplankton from the Barton Beds of the Hampshire Basin, England
Pearson	M.J.	1973	The geochemistry of a Westphalian sediment sequence
Liengjarern	M.	1973	Dinoflagellate cysts and acritarchs from the Oligocene beds of the Isle of Wight
Sinanoglu	E.	1973	Lower Carboniferous miospores from the East Linton borehole, East Lothian, and the lower and middle Border Groups of the Langholm area, Scotland
Watkins	P.	1973	The geochemistry and mineralogy of the Frodingham ironstone
Hill	P.J.	1974	Acritarchs from the Llandovery and lower Wenlock of Wales and the Welsh Borderlands
Morbey	S.J.	1974	A palynological study of the Rhaetian Stage in the Kendelbachgraben, Austria and the upper Triassic Parva and Rhaetic formations in a borehole at Bunny Hill, Nottinghamshire, England
Numan	N.M.S.	1974	Structure and stratigraphy of the southern part of the Borrowdale Volcanic Group, English Lake District
Potter	T.L.	1974	The stratigraphic palynology of some Cambrian successions in North Wales, England and north-west Spain
Spode	F.	1974	A micropalaeontological investigation of the Mansfield Marine Band
Bell	F.G.	1975	The Tuedian sandstones of north Northumberland
Higgs	K.T.	1975	Stratigraphic palynology of the Upper Devonian and Lower Carboniferous sediments at Ringabella Bay, County Cork, and Hook Head, County Wexford, Eire
Knight	J.A.	1975	The systematics and stratigraphic aspects of the Stephanian flora of the Sabero coalfield
Simpson	G.S.	1975	A heavy mineral study of the sediments in some rivers tributary to the Humber estuary
Webb	B.C.	1975	The structure and stratigraphy of the Skiddaw Slates between Buttermere and Newlands, Cumbria, and their relationship to the overlying volcanic rocks
Bell	A.M.	1976	A finite strain study of accretionary lapilli-tuff in the Borrowdale Volcanic group, English Lake District
Langley	K.M.	1976	A geochronological investigation of selected sediments, faults and waters in the British Coalfields
Lynch	M.C.F.	1976	Application of the ^{39}Ar - ^{40}Ar technique to terrestrial rocks and minerals with special reference to the Lewisian of NW Scotland
Thiramongkal	V.	1976	A palynological investigation of the basal Cretaceous measures in East Yorkshire, north Lincolnshire and Norfolk
Al-Badri	A.S.	1977	A hydrogeochemical investigation of the Askrigg Block (North Pennine orefield)
Denison	C.N.D.	1977	The microplankton of the Thanetian/Ypresian boundary in SE England and their stratigraphic and paleoecological significance

Jefferson	D.P.	1977	A study of the Carboniferous sequence at the southern margin of the Askrigg Block near Settle, Yorkshire
Matheson	B.	1977	The thermal regime of a descending lithospheric plate
Zainal	Y.M.	1977	Mineralogy, geochemistry and the origin of some recently discovered Tertiary bentonites in Iraq
Al-Jubori	F.H.K.	1979	Palynological investigations into the Bajocian (Scarborough Formation) marine transgression of East Yorkshire
Amin	M.A.	1979	Geochemistry and mineralogy of Namurian sediments in the Pennine Basin, England
Booth	G.A.R.	1979	Lower Ordovician acritarchs from successions in England and North Wales
Fellows	P.M.	1979	A geochemical and mineralogical study of water soluble elements in coal and coal-bearing strata
Irwin	H.	1979	Chemical diagenesis in an organic rich sediment sequence
Lam	K.A.	1979	A palynological investigation of the Brora Boulder Beds (Kimmeridgian-lower Portlandian) of Sutherland, NE Scotland
Turner	R.E.	1979	Acritarchs of Llandeilo and Caradoc age from classic localities in Britain
Al-Bakri	D.H.	1980	The sediments of the Humber estuary mouth and the adjacent coastline
Bayliss	J.M.	1980	A geochemical and geobotanical survey of Tideslow Farm, Derbyshire
Bowman	M.B.J.	1980	The stratigraphy and sedimentology of the San Emiliano Formation and associated sequences, Cantabrian Mountains, N Spain.
Cooper	A.H.	1980	The stratigraphy and palaeontology of the Ordovician to Devonian rocks of the area north of Dornes (near Figueiródod Vinhos), central Portugal
Corrigan	G.M.	1980	Supercooling in the crystallisation of magmas: an experimental study of the effects of controlled cooling on the nucleation and crystal growth of feldspars, pyroxenes and olivines in igneous rocks and their applications to natural occurrences
Fall	H.G.	1980	The petrology and geochemistry of Jurassic igneous rocks from the northern North Sea
Fenton	J.P.G.	1980	Palynological investigation of the middle Toarcian - lower Callovian strata of Lincolnshire and Northamptonshire, eastern England
Gaciri	S.J.	1980	A hydrogeochemical survey of the Isle of Man
Haynes	D.J.	1980	The clay mineralogy and geochemistry of some selected Westphalian sediments
Holmes	I.F.	1980	Geochemistry and mineralogy of the Bembridge and Hamstead Beds (Oligocene) of the Isle of Wight
Home	P.C.	1980	The geochemistry and mineralogy of metamorphosed ultramafic rocks in the Caledonides of Troms, northern Norway
Lock	N.P.	1980	The geology of the Letseng kimberlites, Lesotho
Punyaprasiddhi	P.	1980	Investigation of the geology and mineralization of tin and tungsten at Samoeng Mine area, North Thailand
Welsh	A.	1980	Stratigraphical palynology of early Dinantian strata in Cumbria
Abu Saqr	M.M.	1981	Geology and ground water resources of the Wadi Bishah Basin - southwest of Saudi Arabia
Al-Beerkdar	A.M.R.H.	1981	A study of the Aptian/Albian dinoflagellate cysts of southern England
Islam	A.A.S.	1981	Early and middle Eocene organic microplankton of the Anglo-Belgian Basins
Molyneux	S.G.	1981	The micropalaeontology and age of the Manx Group, Isle of Man
Parry	C.C.	1981	Palynofacies studies of the Middle Jurassic Brent Group in parts of the East Shetland Basin, northern North Sea
Patsoules	M.G.	1981	Yorkshire and the North Sea Chalk: hydraulic and other engineering properties with respect to its importance as a groundwater aquifer and hydrocarbon reservoir
Porter	R.	1981	The stratigraphical palynology of the Lias-Oxfordian succession of the Brora Outlier, Sutherland

Vear	A.	1981	The geochemistry of pyritic shale weathering within an active landslide
Walters	S.G.	1981	The igneous horizons of the South Pennine orefield and their interactions with mineralization
Al-Jalili	M.A.	1982	Geochemistry and mineralogy of mudrocks from the South Wales coalfield, with particular reference to diagenesis
Ireland	B.J.	1982	Transmission electron microscopy of authigenic clay minerals
Kiteley	R.J.	1982	Detailed studies of the Callovian and Oxfordian microplankton from the Warboys and Warlingham boreholes
Pazdzierski	G.	1982	Facies variation in the Monsaldale limestones (Brigantian:D2) in the Monsal Dale area, Derbyshire, England
Rasikriengkrai	C.	1982	Sedimentological studies of BangThao beach sediments, West Phuket, south Thailand
Sezgin	H.I.	1982	The occurrence and formation of kaolinite and other minerals in Coal Measures rocks from the East Pennine Coalfield
Woollam	R.	1982	Middle Jurassic dinocysts from southern England
Al-Zamel	A.A.A.	1983	Geology and oceanography of Recent sediments of Jazirat Bubyah and Ras As-Sabiyah, Kuwait, Arabian Gulf
Masood	K.R.	1983	Studies on the Gondwana flora of the Salt Range, Pakistan
Powell	A.J.	1983	Miocene dinoflagellate cysts of the Piedmont Tertiary Basin, Italy
Oloto	Ifreyinwa N.	1984	A palynological study of the late Cretaceous and Tertiary boreholes from southern Nigerian sedimentary basin
Iwaniw	Eugene	1984	The sedimentology and floral palaeoecology of lower Cantabrian basin margin deposits in NE León, Spain
Mulvaney	R.	1984	The chemistry and mineralogy of iron ore sinters
Scotchman	Iain C.	1984	Diagenesis of the Kimmeridge Clay formation
Steward	Helen E.	1984	Links between geochemical and engineering properties in weathered pyritic shales
Al-Dabbagh	Thanoon H.	1985	A study of the residual shear strength of Namurian shale in respect of slopes in north Derbyshire
Al-Kaisy	Adil T.H.	1985	Mineralogy and geochemistry of dispersed diagenetic pyrite from Westphalian strata, England
Al-Samman	Azzam H.	1985	Mineralogy and geochemistry of ultramafic rocks in the west Norway basement gneiss terrain
Burnett	Richard D.	1985	Conodont diagenesis and metamorphism: investigations into chemico-physical aspects, with case studies from northern England
Cleal	Christopher	1985	The cyclopteridaceae (Medullosales, Pteridospermopsida) of the Carboniferous of Saarland, Federal Republic of Germany
Cuthbert	Simon J.	1985	Petrology and tectonic setting of relatively low temperature eclogites and related rocks in the Dalsfjord area, Sunnfjord, west Norway
El-Beialy	Salah Y.M.	1985	Late Tertiary dinocysts from the Nile delta and comparison with a western Mediterranean site
Harvey	Martin A.	1985	A geochemical and structural study of the gneisses and eclogites on the Molde Peninsula, west Norway
Newman	J. Rebekah	1985	An investigation of mineralogical and geochemical controls on heavy metal distributions in polluted soils and sediments
Rabiah	Sabah M.A.	1985	The petrology and sedimentology of the Lower Magnesian Limestone in Yorkshire
Said	Uyop B.	1985	Megaspores from Lower Carboniferous strata of Dumfriesshire, Scotland
Whittle	Caroline K.	1985	Analytical transmission electron microscopy of authigenic chlorites
Williams	Nichola T.D.	1985	A palynological investigation of the Staffin shale formation, Isle of Skye, (Callovian to Kimmeridgian), with observations on the stratigraphic distribution of Jurassic dinocysts in north-west Europe
Young	Timothy P.	1985	The stratigraphy of the Upper Ordovician of central Portugal
Mathieson	N.A.	1986	Geology structure and geochemistry of the Ordovician volcanic succession in SW Cumbria
Razzo	Muzahim J.H.	1986	The Westphalian palynomorphs from selected sequences in the Nottingham and Yorkshire Coalfield

Riding	James B.	1986	Jurassic dinoflagellate cysts from the Nettleton Bottom borehole, Lincolnshire and other associated sections in northern and eastern England
Davis	J.E.	1987	The Jurassic palynology and stratigraphy of the Detention No.1 borehole, Kent
Dewison	M.G.	1987	Trace elements in coal: a geochemical and mineralogical study of the Barnsley Seam, north Yorkshire
Hughes	C.R.	1987	The composition and origin of layer silicates in iron-formations and ironstones: a preliminary analytical transmission electron microscopical study
Mathieson	G.A.	1987	Olivine - basaltic melt re-equilibration rates and their implications for crystallisation processes
Staley	G.H.S.	1987	Diagenetic alteration in the Cardium and Viking Formations, western Canada
Warren	E.A.	1987	Geochemistry of authigenic mineral sequences in sandstones
Branney	M.J.	1988	Subaerial explosive volcanism, intrusion, sedimentation and collapse in the Borrowdale Volcanic series, SW Langdale, English Lake District
Brown	S.	1988	A palynological investigation of the Eocene/Oligocene boundary problem in the west European context
Lucas	F.A.	1988	Palynology and palaeoenvironments of late Cretaceous and Tertiary sediments in hydrocarbon boreholes of the Anambra Basin and the Niger delta.
Walton	W.	1988	Palynostratigraphy and palynofacies study of the Middle Jurassic (Aalenian-early Callovian) strata of the sea of the Hebrides and Inner Hebrides basins, NW Scotland
Williams	P.D.B.	1988	The palynology and palynofacies of the Middle Jurassic in blocks 9/18 and 9/19 (UK sector) in the northern North Sea
Batt	Catherine	1989	Alumni Office database
Davey	R.C.L.	1989	Iron in minerals and fine-grained sediments: applications of ⁵⁷ Fe-Mossbauer spectroscopy
Davis	N.C.	1989	The relationship between ignimbrite eruption and caldera collapse in the Borrowdale Volcanic Group of the Central Fells, English Lake District
Jiang	Q.	1989	Palynological investigation of Jurassic sections in the Lyell and Murchison fields, northern North Sea
O'Brien	P.J.	1989	The petrology of eclogites and related rocks from the Bavarian Margin of the Bohemian Massif, West Germany
Pike	S.	1989	Mineral matter in coal and its influence on ash behaviour during combustion
Turner	N.	1989	A palynological study of Carboniferous strata from the Clee Hill Outlier, Shropshire, England
White	R.N.	1989	Mineralogy and geochemistry of some UK coals with special reference to sulphides
Forbes	G.A.R.	1988	Late Jurassic palynology of the Lusitanian Basin north of Lisbon
Bellerby	T.J.	1991	Thermal prospection for archaeology
Davison	J.M.	1991	The iron ore deposits of the North Pennine orefield: their geology and geochemistry
Keating	J.M.	1991	A palynological study of the Jurassic (Pliensbachian to Oxfordian) strata of the north west Hutton Field, northern North Sea
Thistlewood	L.	1991	A palaeomagnetic study of clastic sediments from Peak Cavern, Derbyshire
Butler	N.	1992	The palynology of the basal Viking, Brent & top Dunlin groups (Jurassic) from the north west Hutton Field, northern North Sea
James	D.W.	1992	The geology and geochemistry of the Målvika tungsten skarn deposit, central Norway
Jolley	D.W.	1992	Palynofloral studies of selected late Palaeocene to early Eocene localities of northwest Europe

Jones	G.	1992	A comparative investigation into black shale geochemistry using chemical leaching techniques and C/S subgroup analysis
Scott	Robin	1992	A palaeoenvironmental analysis of the Coniston Limestone formation (Ashgill) in northern England
Hogg	N.M.	1993	A palynological investigation of the Scalby Formation (Ravenscar Group, Middle Jurassic) and adjacent strata from the Cleveland Basin, north east Yorkshire
McLean	D.	1993	A palynostratigraphic classification of the Westphalian of the southern North Sea carboniferous basin
Osterloff	P.L.	1993	An investigation of some late Namurian and early Langsettian strata from the central Pennines, England
Snape	M.G.	1993	A palynological study of the Ordovician to Devonian sediments of the Anti Atlas, Morocco
El-Medawi	A.D.	1994	Palynology of the Upper Cretaceous and Cretaceous/Tertiary boundary of well C3-65, Sarir area, SE Sirte Basin, Libya
Gilmer	B.	1994	The comparative equilibrium conditions of xenoliths in kimberlites from different cratonic settings
Lee	S.	1994	The natural weathering of pulverised fuel ash and its implications for groundwater pollution
Booth	C.A.	1995	The geochemistry, mineralogy, palynology and petrology of the Clowne coal seam, North Derbyshire
Mackenzie	R.	1995	An evaluation of geology resources on the Internet
Smith	S.W.	1995	Marine palynology and palynostratigraphy of the interval Callovian to early Oxfordian (Jurassic) of the Yorkshire coast
Cavender	Paul	1996	Sulphur distribution in key British coals and the trace element concentrations in sulphide minerals.
Dodsworth	P.	1996	The stratigraphy, palynology and palaeoenvironments of selected Northern Hemisphere upper Cenomanian - lower Turonian (Cretaceous) sections
Loy	A.	1996	Jurassic palynostratigraphy of the Murchison Field
Sumner	P.W.	1996	A palynological investigation of the Toarcian sediments of North Yorkshire
Wilson	S.J.	1996	High resolution comparative palynostratigraphy and palaeoecology of Oligocene sequences in the terrestrial basins of the western British Isles and the marine North Sea basin
Yi	S.H.	1996	A study of late Cretaceous and Tertiary palynology from the Yellow Sea basin, west coast of South Korea
Clark	N.D	1997	An investigation into the freeze-thaw durability of dimensional sandstone
Ibrahim	A.B.	1997	A palynological investigation of the Jurassic/Cretaceous boundary in the offshore coastal basin, Tanzania, East Africa
Jais	J.H.M.	1997	Oligocene to Pliocene quantitative stratigraphic palynology of the southern Malay basin, offshore Malaysia
Laycock	E.A.	1997	Frost degradation and weathering of the Magnesian Limestone building stone of the Yorkshire province.
Stephenson	M.H.	1998	Stratigraphic and systematic palynology of Permian and Permo-Carboniferous rocks of Oman and Saudi Arabia
Broxap	R.	1999	Integrated palynology and magnetostratigraphy of the London Clay Formation (Ypresian) from the Isle of Sheppey, southeast England
Cook	Robin A.	1999	The petrology of high-pressure granulites from the St Leonhard granulite massif, Gföhl Unit. Lower Austria
Fitzgerald	J.A.	1999	Pollen and spore assemblages from the Oligocene Lough Neagh Group and Danaghy Formation, Northern Ireland
Harrington	Guy	1999	North American palynofloral dynamics in the late Palaeocene to early Eocene basins
Manning	Phillip L.	1999	Dinosaur trace formation, preservation and interpretation: fossil and laboratory-simulated track studies
Abusham	A.E.	2000	A palynology and palynofacies investigation of the Lower Carboniferous of the Midland Valley of Scotland
Hyde	T.B.	2000	Radon from the Carboniferous limestones of Derbyshire
Jones	R.A.	2000	A palynological investigation of Triassic Lower Mercia Mudstone Group strata from the Irish Sea and Cheshire Basins and an investigation of palynological sample preparation using microwave digestion systems

Harvey	C.	2001	Palynology and coal analysis of the Devonian Campo Chico Formation, western Venezuela
Okonkwo	C.L.	2001	Palynostratigraphy and palaeoenvironmental studies of the Oligocene and early Miocene sequences onshore, Niger Delta Basin, Nigeria
Mohiuddin	U.	2001	Palynology and palynofacies of the Late Cretaceous of Oman

1977 PYGS Research Center, Amoco Production Company, Tulsa, OK

1977 PYGS Shell Canada Ltd, Calgary, Alberta, Canada

1977 PYGS British Petroleum Co Ltd, Sunbury on Thames, Middlesex
